

## Foodstruck Series

---

Brilliant scenic time lapse sets the mood for storytelling, keeping the viewer engaged as they learn the passion behind the scenes of these foodstruck owners, their staff— and the rapidly growing phenomenon itself. Taking care to fully illustrate the food crafting process, while visually stunning burger building unfolds into delicious decoration.

Chloe Skipp guides the series as The Nighthawk Diner serves their clientele at eclectic venues fitting for the cutting edge foodstruck movement— telling their unique story throughout Australia.
